School Values Chart
Learning to Learn

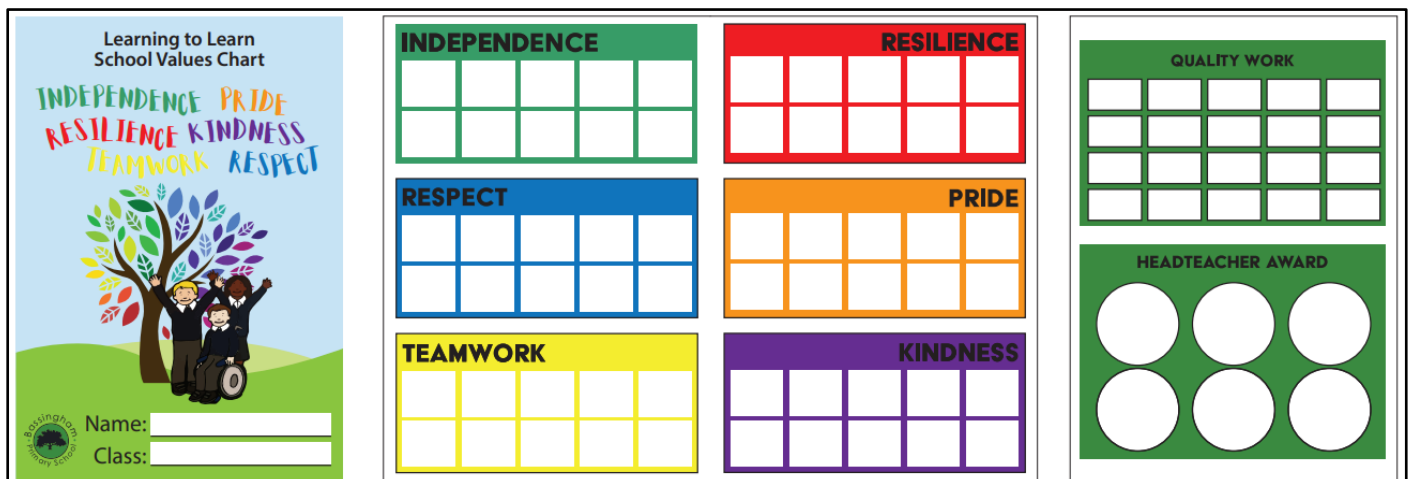

Dear Parents/Carers,

Before the Summer holiday, we reached out to parents to gain your thoughts and opinions regarding our revised School Values. We also met with both staff and pupils to ensure we had input from all stakeholders across school. Our new School Values are as follows:

- **Independence**
- **Respect**
- **Teamwork**
- **Resilience**
- **Pride**
- **Kindness**

School Values Chart

Our revised School Values will also underpin our approach to managing and supporting positive behaviour in school. As part of this, all children will receive their very own School Values Chart with an example shown below. Children will be rewarded for displaying our School Values.

We would like to invite you into school on **Monday 14th October** to launch this exciting new approach. Children will leave as normal at 3.30pm via the school gate. Please arrive back at school via the main office at 3.45pm and make your way to the school hall. For any parents requiring childcare, we will have a film playing across some of our classrooms.

In the meantime, please be discussing our School Values with your children at home.

Yours Sincerely,

Mr. S. Betts
