

Year 3 Yearly Overview 	Autumn Term		Spring Term		Summer Term	
	Gods and Mortals	Mighty Metals	Tremors	Flow	Scrumdiddly-umptious	Tribal Tales
Topic Overview	Discover a fantastical world full of mythical creatures and legendary heroes. Explore the terrains of Greece, where in pure blue skies, the Sun scorches waxen wings and melts the fortunes of Icarus and Daedalus. Then decide your own fate when a mysterious box is found and stirs your curious mind.	You're an engineer, a scientist, a maker of men (iron men, of course). Explore the scientific world of forces. Expand your mind as you test and trial, build and move. Then, meet Hogarth the Iron Man's companion. The Iron Man wants a friend. Can you build him one? You must make him strong, sturdy and ready to rumble.	Tremors. Overwhelming and mighty, Mother Nature's awesome energies hiss and roar deep within the Earth. Plates collide, spewing lava. Towns and cities vanish under ashen clouds. Volcanologists detect formidable rumblings from an extinct volcano in Scotland's capital. Red alert! What would you do?	From humble beginnings, the river flows down the mountain and into the sea. How deep does it go and how fast does it travel? Let's get down to the river bank and find out. Now hop on an imaginary boat and travel some of the world's most majestic rivers. Let's meander through the world of rivers, taking a dip into their watery world.	Tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalizing treats. Find exciting recipes to read – and write your own, too. Then get busy in the kitchen, making tasty dishes and discover how good food helps you grow fit and strong. Be a whizz and create your own scrumdiddlyumptious sandwich, smoothie and chocolate creation.	Take a moment to step outside and stand quietly and still. Turn off all your technology and try to forget the modern world. Imagine this place 5000 years ago. What would you have seen? Learn how the people of Britain developed over thousands of years, from the Stone Age to the Roman invasion. Work as a tribe to build a seasonal monument. Then sit quietly and reflect, waiting for the sunrise. What tribal tales will you have to tell?
