	Stargazers	Pharaohs	Alchemy Island	Peasants, Princes and Pestilence	Sow, Grow and Farm	Off with Her Head
Topic Overview	Navigate beyond the Sun, the magnificent, blazing star at the centre of our Solar System. Investigate the planets, take a look at the Moon. Investigate gravity and compare the times of day at different places on the Earth. Exploring space is the greatest adventure that humankind has ever undertaken. Are we alone? Or are there other life forms out there?	Let's travel back 5000 years, to the dusty realms of ancient Egypt. Cruise along the Nile, entering a world of mysteries and curses, mummies and kings. Unravel the secrets of ancient tombs, using historical sources and ancient artefacts. Find out about powerful pharaohs and grandiose gods. Help prepare a body for its journey into the afterlife. Now open the doorway to ancient Egypt. Who knows what treasures you will find?	It's time to suspend your disbelief and open your mind. We're going on a magical journey to Alchemy Island. Can you find the gold hidden deep within the island's mysterious landscape? Be creative and try to impress the island's team of ace alchemists. You've got your map, coordinates and everything else you need. Got your suitcase ready? Then let the journey begin.	Flee your fields, close your doors and pull up the drawbridge. The dreaded and deadly Great Pestilence is here. Mount your steed and gallop through the dark and deadly world of 14th century Britain, sword and shield at the ready, pledging your allegiance to king and country. Discover the grotesque effects of bugs and bacteria on the human body. And if you smell a rat, my friend, get out of there.	This project teaches children about the features and characteristics of land use in agricultural regions across the world, including a detailed exploration of significant environmental areas.	What sort of man would order the beheading of his wife? Was she really that bad? Travel back in time to the 1500s and meet the terrifying Tudors, a domineering dynasty that changed our history. Develop your painting skills in miniature, solve riddles and remember to protect your precious neck with a large white ruff, if you want to survive at Tudor court.
