### **Remote Learning Update**

Dear Parents/Carers,

As mentioned in previous communication, we are in the process of setting up Microsoft Teams for both parent meetings and future remote learning opportunities. This is due to be up and running for after half-term or possibly even sooner.

For those pupils who are off school for a longer period of time (10 or 14 days), the current process regarding remote learning will be as follows:

- Work will be sent home via email on a daily basis (to the parent email address we have on record)
- This email will be sent directly by the class teacher (please ring the school office if not received)
- Work will consist of high-quality video lessons, worksheets and online learning platforms
- This work will cover Maths, Reading, Writing and Topic learning
- If printing work at home is an issue, recording can take place on plain, lined or squared paper
- Share, share, share – send photos and examples of your work back to the class teacher!
- Where required, class teachers will provide feedback for any work that is returned or shared

To support the systems mentioned above, pupils will continue to have access to Education City, Bug Club and Times Tables Rock Stars. These are aimed to supplement daily work being sent home and not to replace it. Your child should already have the login details for these platforms. If not, please contact your child's class teacher.

We will be using some resources from the Oak National Academy. This is an online classroom made by qualified teachers and contains free, high quality video lessons and resources for all aspects of the National Curriculum. Here is the direct link for your reference - <https://classroom.thenational.academy/>

Have a lovely weekend!

Yours sincerely,

Mr S. Betts  
Headteacher
