### Questionnaire to Prepare for Remote Learning

Dear Parents/Carers,

In making remote learning a success at Bassingham Primary School, we need to gather some information from parents/carers. In the event of a local lockdown, closing of class bubbles or pupil absence due to self-isolation, we need to ensure all pupils have the appropriate resources at home.

If we do need to provide remote learning, we want to improve it further, and ensure that all children can access the full curriculum, as the expectation is that “for individuals or groups of self-isolating pupils, remote education plans should be in place. These should meet the same expectations as those for any pupils who cannot yet attend school at all due to coronavirus.”

Please have a look at the three questions below. If the answer to any of these is **no**, please contact the school office by **Monday 19<sup>th</sup> October**. We will then endeavour to resolve any issues around remote learning in a timely manner. If needed, please use the following email address: [Enquiries@bassinghamschool.org](mailto:Enquiries@bassinghamschool.org)

If the answer to all three questions is **yes**, no further action is required.

***Does your child have access to a device (e.g. laptop or tablet) for remote learning?***

***If you have more than one child, do they both have access to a device for remote learning?***

***Do you have access to the internet at home?***

Yours sincerely,

Mr S. Betts  
Headteacher
