Purple Mash

Dear Parent/Carer,

As part of our Computing Curriculum, we are very excited to announce the arrival of Purple Mash. Purple Mash provides a whole world of fun and exciting learning opportunities in one safe place. Your child's login will be sent out via their class teacher over the coming weeks. We hope this will add to our remote learning offer at Bassingham Primary School.

What is Purple Mash?

Purple Mash is a comprehensive suite of online learning tools and content, designed to be used by primary aged children in the classroom and at home. Find out more here: https://2simple.com/parents

What should you do first?

To begin with, it's a good idea to login to Purple Mash with your child. We suggest the following:

- Familiarising yourself with the menu icons
- Exploring the grammar, maths and spelling activities which match to the National Curriculum
- Play one of many fun, educational collaborative games such as 2Race
- Delve into the Science area and find out about all the areas of Science it covers
- Investigate the Topics area to support securing their knowledge of the wider curriculum
- Tour the Computing area trying out some of the tools such as 2Code, 2Go and Logo
- Get creative in the Tools section, from making an animation to building a printable 3D model
- Dive into Serial Mash (an online library of books)
- Learn through play in Mini Mash (for children aged 3 to 5)

Many Thanks,

Miss Wiltshire
